

AKC All-Around Irish Water Spaniels

In late 1990 the IWSCA Board of Directors unanimously voted to initiate a Certificate of Recognition category called the "AKC All-Around Irish Water Spaniel". An excerpt of the proposal by Dick Read follows:

An IWS should not only be a sound, good-looking dog, but should also be a well-behaved companion that is capable of performing the hunting tasks for which the breed was developed. The IWSCA encourages the demonstration of these characteristics and abilities by offering special recognition in the form of a certificate of commendation, to be awarded at the Annual Meeting to the owners of those IWS that are AKC Champions of Record and that also received both an AKC obedience title (CD or better) and an AKC hunting title (JH or better).

As of December 31, 2008, ninety-three member-owned Irish Water Spaniels have earned this distinction, listed here with their owners and the dates earned.
